Saving Local Heritage- Securing our Future

Consecrated in 1094 by St. Anselm, the spire was added in 1450 and has been *the Harrow Landmark* ever since.

King Charles II is reputed to have called St. Mary's '*the most visible church*' because of the beautiful spire.

..however, no financial help is available from local or national government for these essential works.

You can help by donating to the campaign by:
